**JOINT MOTION FOR ENLARGEMENT OF TIME TO COMPLY WITH
COURT'S SCHEDULING ORDER [D.E. 190]**

Plaintiffs, LYLE DEROCHE and FELTON RAVIA, and Defendant, SAYBOLT, LP, (collectively "Parties") by and through their undersigned counsel and pursuant to the Federal Rules of Civil Procedure and Local Rules for the Southern District of Texas, hereby requests a brief enlargement of time, up to and including, August 3, 2012 to comply with this Court's Scheduling Order dated July 11, 2012[DE 190]. The grounds supporting this Motion are as follows:

The Parties are in the process of completing their joint models for calculating damages, pursuant to this Court's Scheduling Order, but both Parties have been out of the office on other pending litigation matters and it appears additional time will be needed to adequately prepare the filing for the Court. Therefore, the Parties' respectfully request this Court allow them additional time to file the joint models for calculating damages.

CONCLUSION

For these reasons, Plaintiff respectfully moves this Court to enter an Order granting an enlargement of time, up to and including August 3, 2012 to file their joint model for calculating damages.

Dated this 21st day of July, 2012
